

PLEASE READ THE FOLLOWING THOROUGHLY

BUSES:

We need all school buses to approach the building from AKERS MILL ROAD on the North side of the building. This will be crucial in assuring a fairly smooth flow of traffic. **There will be Centre representatives guiding you.** Buses will pull onto the site from behind the building and then drive to the front. Attached are maps for your convenience. PLEASE MAKE SURE DRIVERS USE THIS MAP. There is no charge to park school buses.

CHECKING IN:

When your bus stops at the front of the building a representative from the Centre will board your bus to check-in your school. You and your bus driver will be given a large number that will be taped to the bus windows. Please remember your number, as it will help you find your bus after the performance.

FINDING YOUR BUS AFTER THE SHOW:

When you emerge from the performance, buses will be parked in the Centre's surface lot in numerical order and representatives will assist you in locating your bus(es). We encourage everyone to board their buses as quickly and safely as possible. For safety reasons we must hold all buses until everyone has boarded, so please make your way directly to the surface parking lot following the performance. (See Map)

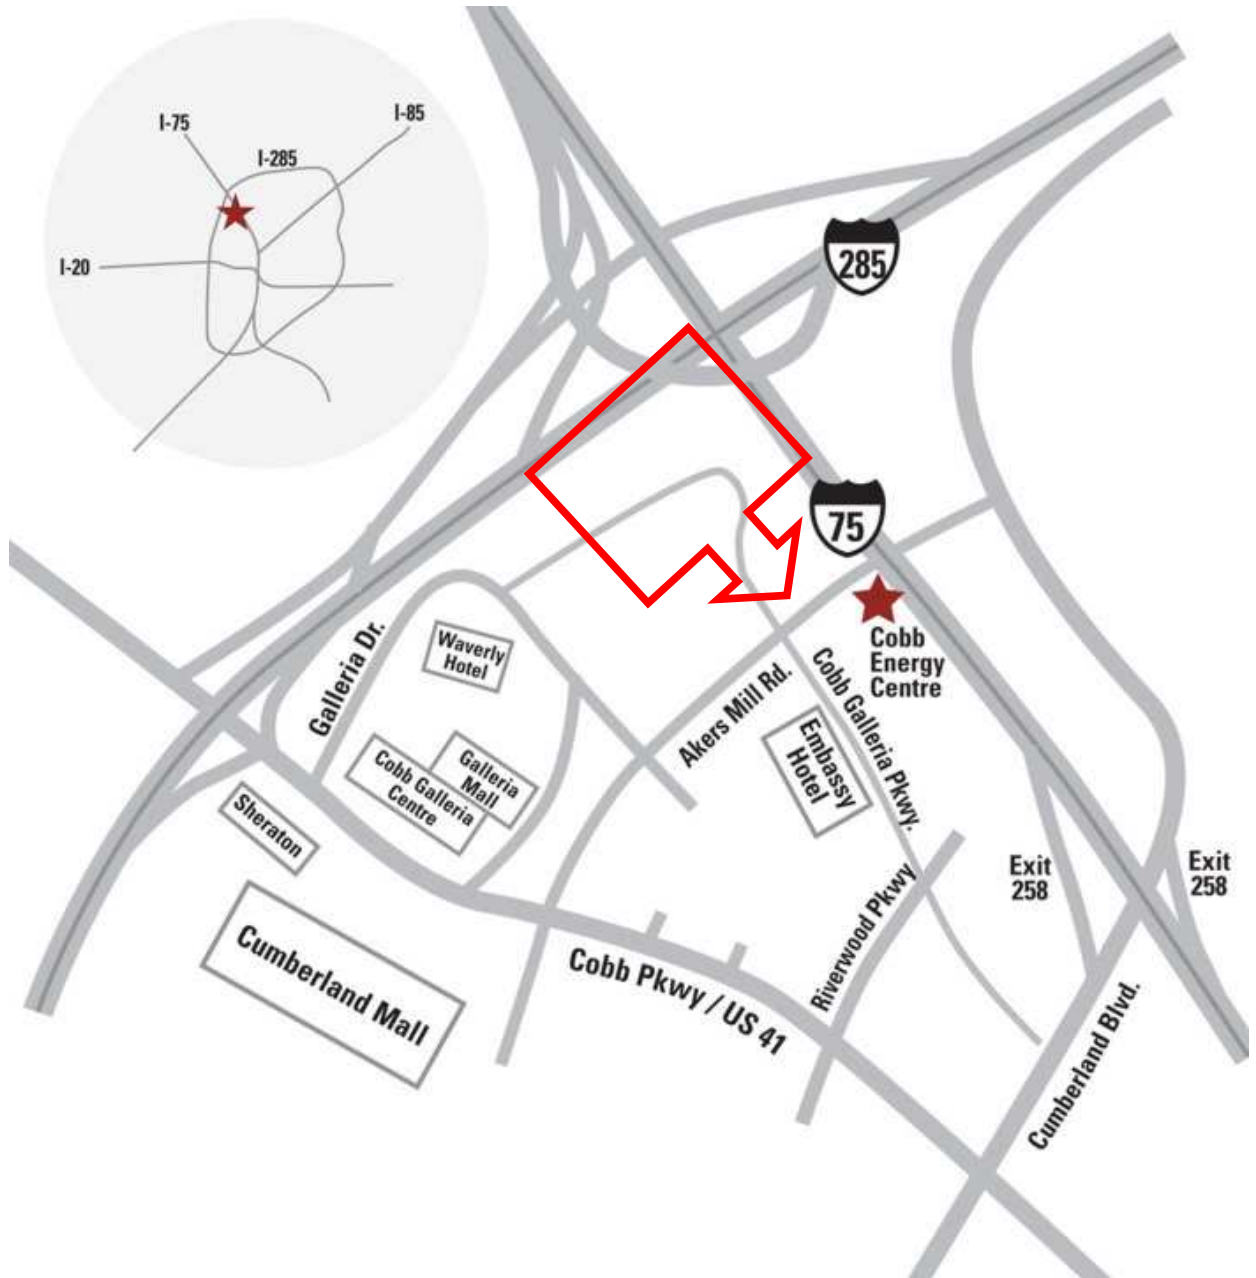

CARS/VANS/SUVs:

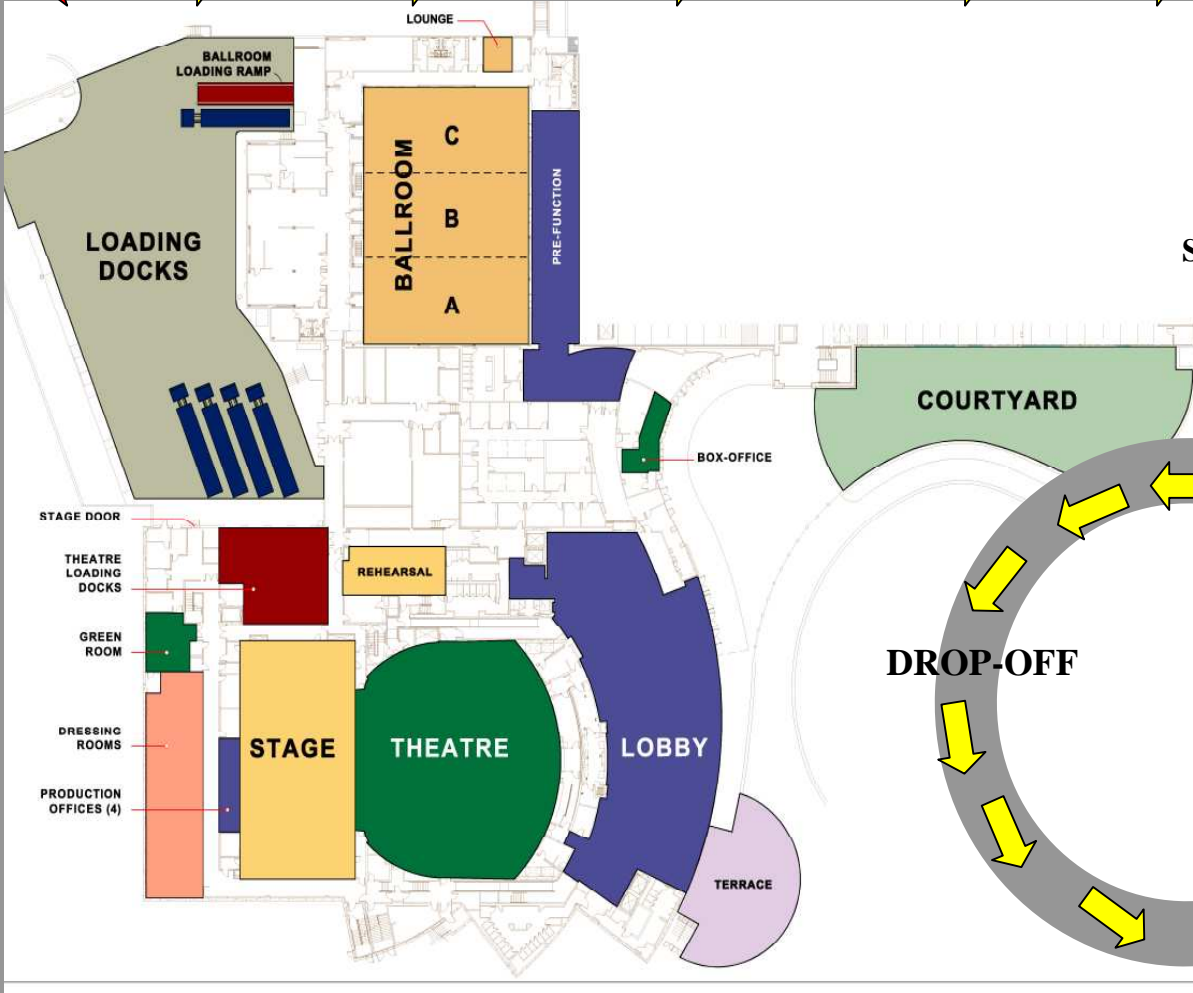

You will still approach the building in the same manner, but will park in our parking deck. Please note that there is a \$5 per vehicle parking fee for cars/vans/SUVs. After you have parked, make your way to level 2 and to the exit on the west side (theater side) of the building. When you emerge from the parking deck, there will be a Centre representative to check you in and direct you to your seats.
